Assassin's Creed Odyssey has 44 ancient tablet locations. This guide contains a map that shows where to find all the ancient tablets. Tablets are a resource used to upgrade your ship, Adrestia. The complete modernization of the ship opens the Lord of the Seas trophy or achievement. They are only in ruins, and sometimes sold by blacksmiths. You can pick them up at any time. None of them will miss out, you can still find these collectibles after the story in free roaming. There's also a Time Saver item called Ancient Tablet Card for 300 Helix Credits, which opens up places on the map in the game. But the only way to get is to spend real money (microtransaction). Instead of doing this, you can simply refer to the map below. Ancient plaques are marked with this blue icon: . Below there is one big map with all of them circling in red and then one zoomed in on the map in the region. The ruins have question marks on the default map. When you get there, use an eagle to scan the environment for the tablet! Your eagle will mark them so they are easy to find.
