Kill Road Dog is a side mission in Borderlands 3 (BL3). This step-by-step guide will guide you through all the goals of the Kill Road Dog Side quest. Kill Road Dog is a rare casually appeared lateral mission that appears on the bulletin board in the Sanctuary. It's just by accident at what point it will be available. Always check the map for new quests when you go to the sanctuary and do it as soon as you see it! Sanctuary Message Board Kill quests are repeated and will reappear later. This and other Sanctuary kill quests are not needed for the trophy and all side missions, but they add 1 euro to your total completed mission. You must have progressed through the main Blood Drive mission to have access to the Splinterlands where that enemy is located. Planet: Sanctuary Square: Sanctuary quest Giver: Notice Tip Requirement: Rare random caviar on the bulletin board at the sanctuary, opens at different times to all. To fight the enemy you have to progress through Blood Drive. Recommended level: 26 Rewards: Money (\$4659) and 6135 XP Mission Info: Yes, Kill The Road Dog. Goals: Start Place: Kill Road Dog Road Dog Road Dog Location: Pandora, Splinterlands Road Dog is a great human enemy found in The Splinterlands camp, on the planet Pandora. History will take you to this area automatically during Blood Drive. See the location image below. It can also spawn there outside of this quest at any time. Once it's dead, the lateral mission is done instantly, no need to roll it up anywhere. This mission is repeated and repeated randomly at a later time (just like all other killing quests with message boards). To make it count on an overall completed mission you only need to do it once! This ends with the Kill Road Dog side of the mission in Borderlands 3. For all other Spin-walking mission guides, check out our complete Borderlands 3 Side Passage Missions. Community content is available under CC-BY-SA unless otherwise stated. Learn how to find the Road Dog location in Borderlands 3. Road Dog is another of the many rare enemy spawning that players can meet in Borderlands 3. When found and defeated, the Road Dog will have a chance to give up the legendary shotgun, Redline. Overwatch fans will probably also recognize Road Dog as a clear and obvious Road Hog link, one of the many heroes available to players in Hit FPS Blizzard. In this guide we will show you how to find the location of Road Dog in Borderlands 3. To find Road Dog, players will want to navigate their way to Pandora, to the Splinterlands. This area of the map becomes available after the Blood Drive quest is completed, and you will actually be delivered to the place you need to visit when doing this quest. Heads the centre of the plateau in the Splinterlands on Pandora to find the Road Dog. Basically, to find a Road Dog, you're going to want to find a central Splinterlands plateau. Here you will find a camp of bandits. When you arrive, look for the Road Dog nearby. Near, very hard to miss, as he is a big, chubby enemy. When you notice it, you want to take it as quickly as possible. Like many other rare targets that you can find in Borderlands 3, this enemy will often appear as the target of killing on bounty posters found across the galaxy. You can also check out our guide to the best guns in Borderlands 3 for more help in getting the legendary weapon. When you kill the Road Dog, you will have a chance to pick up the Redline Legendary Shotgun. During the special Anniversary Event of Borderlands, this enemy will also have an increased chance of abandoning Legendaries, making it a great time to farm for this weapon. Be sure to focus on killing road dog as quickly as possible when you come across him as letting him attack you too much can lead to your demise. Now that you know how to find the location of Road Dog in Borderlands 3, head back to our Borderlands 3 guide for more useful information. Borderlands 3 - Rare Caviar - Road Dog Road Dog is Named Enemy in Borderlands 3. It used to be a rare spawn and not always shows up, however, The Gearbox software changed the caviar rate to 100%. Road Dog is a Goliath with a nuclear weapons tattoo on his stomach. It is equipped with 1 assault rifle and a hook with which it can pull you in. You can get a side mission to Kill The Road Dog from the reward board at Sanctuary III. You want Fast Travel to any starting spot on the map because you have to be in the center of the map. There you will find the COV camp. When you enter the camp through the main gate, the Road Dog will be in the back on the right side. It will appear from one of the containers located there. Road Dog Location Guide - Borderlands 3 Road Dog Loot Pool You can farm the Road Dog for this legendary weapon as it is a specialized source of mining for these items. Road Dog has a 10% legendary chance of falling. More Borderlands 3 Legendary Gear Road Dog Guide you will encounter Road Dog along with a bunch of other enemies. It probably makes sense to stock up on ammunition and grenades first before entering the CAMP. If you don't have a kick-ass build you want to clear the camp as you make your way to the Road Dog. It will come out of the container. Beware as Road Dog can grab you from a distance with its hook and pull you towards itself. Avoid the fury of the Road Dog by aiming for his body rather than his head. When he is furious and starts killing other enemies, the Road Dog will evolve to go away; The Raging Super Raging is a Mega Raging, which makes the fight all tougher and tougher. TIP Tips: Avoid headshots. STRATEGY: Clear the COV camp. RELATED: Fire, CRIT SPOT: His head as soon as the helmet shuts down.
